“Aristotle advocated: ‘What we learn with delight, we never forget.’ How true this is of Walk Thru the Bible Seminars.”
— J.P.

Have you ever said or heard someone else say that the Old Testament is confusing? Although many know the general chronology of Genesis, it's hard for most to put all of the people and events of the entire Old Testament together. Many believe it would take years to understand. After all, there are:

- 39 books
- 929 chapters
- and 23,214 verses in the Old Testament.

What if we told you that you and everybody in your church could memorize the key characters, places, events, and themes of the Old Testament in five action-packed hours? Wouldn't

that be something that could benefit the whole church for years to come?

More than 1.5 million people have taken this walk before you, making

the *Walk Thru the Old Testament* seminar one of the most attended seminars of all time. It's successful because it doesn't bog down with tedious notetaking and rote memorization. Instead, participants will be delightfully caught up in a highly creative, interactive learning adventure that's as fun as it is effective.

During this time, attendees will meet Bible characters in an up-close and personal way and enjoy every minute of it. It's as easy and pleasant as taking a walk. Thousands of years of

history and scores of famous names and places will be their companions, and a wealth of new insights and understanding their destination.

In just a few hours, your people will memorize more than they ever dreamed possible by using hand motions, catch phrases, and group review. By the end of the day, they'll be able to:

- Trace major geographical movements on a giant map made from the people attending the seminar.
- Learn to Walk Thru 77 major events in less than three minutes.
- Understand the themes and purpose of the Old Testament.

One pastor accurately summed up his experience by saying, "I gained more from this seminar in terms of really understanding the relationship of events and people than I had previously learned in seven years of college and seminary study."

The Old Testament seminar is the flagship of Walk Thru the Bible, and it's perfect for new believers as well as seasoned Christians. Its success year after

year can be attributed to one thing: It meets a need for clarity and connection to God's Word that most Christians recognize they have.

The afterglow of *Walk Thru the Old Testament* can be felt for years, but perhaps the best testimony to its long-term impact is that historically 75 percent or more of those who attend make a commitment to read their Bibles and pray every day. By rekindling their hearts, this survey of the Old Testament demonstrates why it is still the most popular seminar we offer and perfect for your church. It will bless you, those who attend, and everybody in the community because of the positive life changes it produces.
