

GOING DEEPER IN THE GOSPELS

1. Choose a story or passage of Scripture
2. Which word or short phrase specifically speaks to you?
Why?
Meditate on the story or passage, asking Holy Spirit to reveal His truth to you.
3. Read the passage again
4. In today's world, what does this passage suggest?
This line of thinking gets you away from yourself and into your community.
(For example, reading about Mary, the mother of Jesus, can suggest topics such as unwed teens, crisis, cheating on a spouse, compassion, grace, inclusion, etc.)
5. Read the passage again
6. To what does the Scripture call you?
What are the implications for the communities to which you belong?

Remember that the Bible was primarily written to groups of people, not individuals.
