

SCRIPTURES TO PRAY FOR YOUR BUSINESS

Every Christian CEO and Business Owner has a special calling as a “believer priest” to serve God in and through his company.

Exodus 19:6

Isaiah 61:6a

1 Peter 2:5, 9

For a Christian, there is no difference between what is sacred and what is secular. We are called to be the same person wherever we are - at home, at church, or in our business.

2 Corinthians 1:17-18

Matthew 6:24

Colossians 3:1–17

James 1:5-7

Eternal values always take precedence over temporal values. Believers are called to live with a “Kingdom mentality” as Jesus taught. This perspective must directly influence our perspective on all of life’s issues, including business.

Matthew 6:33

Matthew 6:19-21

The Word of God teaches us to avoid comparing ourselves with others. God evaluates all Christians based on fruit produced in and through their lives by the Holy Spirit. Jesus said in Matthew 7:16 that Christians would be known by their fruit.

2 Corinthians 10:12

Philippians 2:3-4

Galatians 5:22-23

Galatians 6:4

God has called us to be stewards of all that He created. Our role as leaders is to serve Christ in everything that we do. Our businesses are gifts from God, given to us for use as platforms for sharing Christ and helping to finance His Kingdom. Therefore, our businesses should reflect our willingness to attribute all glory and honor to God.
