

BIBLE STUDY AND MEDITATION FOR TWO PEOPLE
45 – 60 minutes

Consider using Psalm 103:6-14 as your first study!

1. Pray together, inviting Holy Spirit to be your Teacher and to lead your thoughts and conversation
2. Slowly read the passage to yourself
3. Each person slowly reads the passage aloud, using verbal expressions which reflect the emotion and reality of the passage
4. Copy the passage *exactly* as it is written in your Bible, including punctuation, etc.
5. Exchange papers; check the copied work for accuracy.
6. Each person privately meditates on the passage.
7. Each person writes 2 or 3 thought-provoking or life-application questions about the passage to ask the other person.
8. Each person then shares *no more than 3 sentences* about what Holy Spirit has shown them.
9. One person asks the 2 or 3 written questions, one at a time; the other person responds. The question asker cannot respond, interrupt or interject.
Reverse roles.
10. Discuss the passage and the questions and responses.
11. Pray together.

Conclude your prayer time by asking Holy Spirit to help you remember what you've read and continue to minister the truth of the passage to you.
